**charge, produce astonishing results, and bring enormous value to their organizations. But many alphas also leave a path of destruction in their wake. Competitive, belligerent, and impatient, these hard-charging leaders can run roughshod over colleagues and employees, to the detriment of their careers and the bottom line. In Alpha Male Syndrome, Kate Ludeman and Eddie Erlandson build on their Harvard Business Review article “Coaching the Alpha Male”—sounding a wake-up call to all alphas and the companies they work for. The authors show alphas how to leverage their unique strengths while confronting their destructive “flip side risks.” They describe the distinguishing dynamics of the alpha male syndrome and identify four breeds: commanders, executors, strategists, and visionaries. By understanding each type’s nuances, alphas can transform themselves into more effective leaders. And those who work with alphas can transform nightmare work groups into collaborative dream teams. Exercises, checklists, and tips enable readers to harness the enormous power of the alpha personality while minimizing the downsides of alpha behavior. In this guide, you'll learn about the various traits of the alpha male.**

This collection contains 3 hot stories with obsessed alpha males who will do anything TO HAVE HER. Includes MY FIRST THEFT WENT A LITTLE LIKE THIS; YOU'RE MINE, WIFE; and WANTING HIS STUDENT. MY FIRST THEFT WENT A LITTLE LIKE THIS My first theft went a little like this... I just wanted to steal one bag of chips. Instead, I end up stealing the heart of a handsome millionaire... YOU'RE MINE, WIFE When my wife serves me divorce papers, I lose my s\*\*t. But I'm going to remind her that she's mine. And she's going to stay with me till death do us part. Whether she likes it or not. \*\*\*A sexy short story featuring an over-the-top alpha male who is beyond obsessed with his wife and is never going to let her go!\*\*\* Excerpt: I say, "The next words coming out of that pretty little mouth better be 'I have come to my senses, dear husband, and I shall ask for a divorce no more.'" "You're so stubborn." "You haven't seen stubborn yet." My fingers twitch with the desire to tie her to the bed; I settle for wrapping my arms around her and putting

my hand on the small of her back. "Shouldn't you be at work?" "I'm exactly where I need to be." I kiss her shoulder, then sink my teeth into her skin, marking her with a love bite. "You're the CEO. You shouldn't be playing hooky. Doesn't that set a bad example for your employees?" "When you're the boss, you have the privilege of being able to tell people, 'Do as I say, not as I do.'" WANTING HIS STUDENT I shouldn't want her, but I do. Alicia Liu is the most gorgeous woman I have ever met, and I want to make her mine. But there's one problem. She's my student. Is that going to stop me from claiming her? Not for long... \*\*\*A sweet and sexy short story with an obsessed alpha male, instalove, and a happy ending!\*\*\* Excerpt: "Leave them," I bark. "But—" Impatient, I seize her hand and drag her out of the room. She shivers. "Are you going to report me to the staff?" A frown comes onto my face. She thinks I'm going to tattle on her? Does she think I'm a heartless b\*\*\*\*\*d? Then again, I have been growling at her (albeit unintentionally). She is probably scared of me. "I'm not going to get you in trouble," I say, only half-growling this time. "Um, then can you let go of my hand?" I look at our intertwined hands, cursing mentally. Professors aren't supposed to touch their students, and we're definitely not supposed to hold their hands. Still, I don't want to let go of her. THE STEEL INFIDELS ARE BACK! The social perception of masculinity is very black and white: one is either an Alpha Male or a Beta Male, and there can be no variation. However, this is not the reality of masculinity in today's society. Non-Alpha Males exist somewhere in the middle of the masculinity spectrum and are far more common than most people realize. These Non-Alpha Males are prone to developmental and behavioral issues caused by gender role conflict, toxic shame, and complex trauma. These, as well as the role of parenting, attachment and abuse issues, gender constructs and socialization, and the resulting addiction, sexual issues, and self-loathing, are explored in *Childhood Trauma and the Non-Alpha Male*. Dr. Carpenter's book offers healthy resolutions through self-acceptance and psychological health. With stories of experiences from actual Non-Alpha Male clients bringing the theoretical into reality, *Childhood Trauma and the Non-Alpha Male* helps offer healing through hope, clarity, healing, and change. *Gender Role Conflict, Toxic Shame, and Complex Trauma: Finding Hope, Clarity,*

Angel and Raquel possess two very strong personalities separately. They are alphas to the core. The problem comes when these two fire-filled individuals come together. One needs to be in control while the other refuses to be controlled. Angel Leonetti, the complete Alpha Male "Let me first address this 'using you' shit that you mentioned. To be clear, I asked you to be on the team for no other reason but that I trust you. You were actually the only one I trusted in that meeting, besides my father. I don't know what's up with Victor. I haven't a clue where the hostility he displayed stemmed from, but, best believe, if he says anything to me again, I won't hold back. He has you to thank for him breathing without assistance right now. Consider

this his reprieve."Angel moved closer to her, as he continued, "And that ultimatum bullshit you just spat at me; that's not an option. I'm growing tired of repeating myself. I've told you already that you are who and what I want. I won't say it again."Raquel Waters, the uncontrollable Alpha Female...No matter how she felt about him, how much she wanted him, she wasn't taking his controlling caveman ways lightly. "You are so full of shit! You and I haven't seen or spoken to each other in three years; three-long-years. You know nothing about me, and I don't know shit about you. All I can say is that we know how to fuck each other's brains out with a skill that should be taught to the masses, but that's it. So what!" She moved closer to him. "I went away and grew up. I have likes and dislikes that you have no clue exist. So if you think I'm just going to sit here and let you claim me without me having something to say about it, you're sadly mistaken." Angel can't live without this woman. He refuses to. He's determined to have her no matter what. Raquel equally has a need that only Angel can fulfill. She

wants him, there's no doubt about that. However, she doesn't want to sacrifice who she is to get what she wants. Will Angel be able to break down the walls of the woman he's desired since the moment they met? Will Raquel be able to surrender her free will for the man that has managed to dominated her mind, body, and soul? Can these two find a way to be together or will their fire consume them both?

Men are losing their masculinity. Guys are urged to get in touch with their "feminine" side at the expense of the traditional attributes that make men "male." Not only has "manliness" become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/ Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely

confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

My future used to look so promising. I graduated from high school at the top of my class and got into Princeton. But then I flunked out of the Ivy League school. Now I'm prancing around in a skimpy French maid outfit while waiting on sleazy rich guys at Parisian Dream. Ag, more like Parisian Nightmare. I don't think things could get any worse until I find myself waiting on Gerald Holland, my former best friend. And it turns out he's still a little—okay, very—salty about how I rejected him in high school. But though he acts like he hates me, he also acts like he still wants me... WORD COUNT: 7,300 Excerpt: He's treating me like a charity case.

If I had a little more pride, I would tell him to take back his money. But I have a stupid amount of student loans to pay off for my one semester of college, so I keep the cash. "What do you do nowadays?" I ask. Gerald definitely had a glow-up after high school. He lost all of his baby fat and now looks like the stereotypical handsome rich guy from a romance novel. Chiseled cheekbones, a strong jaw, and a sleek blond haircut straight out of an expensive salon. His emerald-green eyes are the same though. "I design apps," he says. "I recently sold one to Google for a pretty penny." That explains the custom-tailored suit and Rolex. He grins. "Not bad for someone who had a 2.0 GPA in high school, eh?" "Not bad," I murmur. I should be glad for Gerald—and I am—but his success makes my failure all the more painful. In high school, people expected great things from me and expected nothing from Gerald. Yet I'm a Princeton dropout and he is a Rolex-wearing tech mogul. "I bet you regret rejecting me in high school." I glare at him. "Did you just come here to rub your success in my face?" "That's one reason. The other reason is I had a burning desire to see you in a sexy French maid outfit." He glances at my cleavage and legs, making me blush. "A wet dream come true."

Alpha Male Blast from the Past  
Hello, Alpha Male

ALPHA MALE: Who They Are, How They Think, What They Want; How To Attract, Meet, Marry & Train One. In hundreds of hours of interviews Alpha Males tell in their own words exactly what attracts them to a woman, who they pursue, how they feel about the women they sleep with, what they think about women at work. You can even make an Alpha Male fall in love, propose marriage (these skills can actually be learned) and with training become a great husband. [Warning! this book is NOT politically correct; it does not agree with common thinking today re: hook-ups, dating, marriage.] Some of what Alpha Males themselves say about women, sex, and finding someone to love and commit to may astound you.
