Coloring by number books for kids are fantastic in helping children understand that symbols have meaning. Not only do children get better at color recognition when using color by number pages; they also learn that numbers can be used to represent other things and aren't only just for counting. Later on, children will be able to grasp that different objects in their surroundings can actually be used as a symbol for other things and have other meanings. It's just undeniable that symbolic understanding is important to function well in the society we live in. Our Color by Numbers for Kids Ages 4-8 features: 20 Color by number coloring pages - the pages are not just black and white as other books, they have the colored image in the right corner; An awesome gift for creative kids all year round; Playful learning and remembering of the first numbers and colors; Single-sided Print to prevent bleed-through; 8.5" x 11" Format, 41 pages, Paperback Glossy Cover, Perfect Bound. Animals color by number is such a fun activity and also has many benefits to your child's development. Buy now and enjoy! P.S.
