Apa Manual Table Of Contents

APA format guidelines for the table of contents In a thesis or dissertation, the table of contents comes between your abstract and your introduction. It should be written in the same font and size as the rest of your text (usually 12 pt Times New Roman). At the top of the page, write Contents, centered and in bold.

Selecting either Automatic Table 1 or 2 will create the table of contents using the names of the headings. If you chose the "Manual Table" option from the "Table of Contents" drop-down menu, then it will insert a template for you that you will need to edit yourself. You may notice in this table of contents that there are sub-levels.

APA 6th Edition. The reason that you don't find information on creating a table of contents in the Publication Manual of the American Psychological Association (American Psychological Association, 2010) is because the primary audience for the manual are authors of journal articles, and journal articles don't contain tables of content. Please check with your instructor or academic supervisor to find out what the expectations are for your table of contents, and then you can use the automatic ...
