Fair trade jewellery has been around for a while - but while those crafting it worked under Fair Trade principles, the gold, silver and precious stones they were using came from some very murky places. Small scale mining is the second biggest global employer in the world, pay a pittance, forcing their workers to labour long hours in dirty and dangerous conditions - for a pittance. Informed by those in the jewellery trade that this would never change, Greg Valerio set out to prove them wrong. Fairly traded gold is now available and continues for other metals and products.

More than a decade ago, Michael Moorcock's extraordinary Mother London gave stunning new breath and style to contemporary literature. With Bruce Chatwin's Utz and Salman Rushdie's The Satanic Verses, the novel was short-listed for Britain's prestigious Booker Prize. With scathing wit and enthralling vision, the author whom the Washington Post has praised as "one of the most exciting discoveries in the contemporary English novel [in] 40 or so years" returns to a city transformed and transforming, and in peril of its life. The novel of Dennis Dover, former rock guitarist, photojournalist, and paparazzo. Denny inhabits a world of vibrant color, smell, and sound, where novel experience and unpredictability are anchored by steadfast tradition and history. Mother London's many vagaries give her a certain succor, always seducing him home from the Earth's terrible places, where the face of death is as common as the blood that stains the local dirt. And London is where Rosie Beck is, when she isn't off elsewhere combating the planet's great ills. Denny's brilliant, brilliant cousin has always been an indispensable part of his being -- his soul mate and his soul. Since childhood they have been inseparable, delighting in the daily discoveries of a life with no limits. But now the metropolis that nurtured them is threatened by a power that consumes the past indiscriminately and leaves nothing of substance in its wake. The terminator is named John Barbican Begg. A hanger-on from Denny and Rosie's youth, he has become the morally corrupt center of their London and the richest, most rapacious member of the Hemisphere. Now, as their cherished landmarks tumble, conspiracy, secrets, lies, and betrayal become the centerpieces of Rosie and Dennis's days. For Barbican has but one goal: to devour the entire world. And the only choice left is to join in, drop out ... or die.

work of incomparable invention, King of the City is eccentric and remarkable, a unique urban love story with a pit-bull bite that confirms the unparalleled literary genius of the amazing Michael Moorcock.

"Wendy Ramshaw who lives in London is one of the leading artist-jewellers of the late 20th century whose distinctive style is internationally admired and widely influential." "Picasso, one of the most prolific artists of the 20th century, and his painted records of his wives, mistresses and friends have been the focus of Ramshaw's study since the mid-Eighties. The sheer beauty of the women and the full range of emotions expressed in these paintings provided the impetus to design one or more jewels for each of the 66 portraits of 'Picasso's Ladies' illustrated in this book." "In this publication the collection is for the first time being presented in its entirety alongside Picasso's paintings, the source of stimulus. In an unusual approach the artist gives in her notes an insight into her working process. She reveals to us the personal messages of each painting which led to a number of amazing designs and how her choice of stones either reflect or go against the colours on the paintings. Four authors have illuminated various aspects of what are undoubtedly some of the most intellectually complex and aesthetically accomplished jewels."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Timothy Cheek's revised edition of Singing in Czech: A Guide to Czech Lyric Diction and Vocal Repertoire, with its accompanying audio accessible online, builds on the original pioneering work of 2001 that set “a new and very welcome high standard for teaching lyric diction,” according to Notes: The Journal of the Music Library Association. It offers users updated information, important clarifications, and expanded repertoire in a more accessible, easier to use format. Singing in Czech is divided into two parts. Using IPA, the first part takes the reader systematically through each sound of the Czech language, enhanced by recordings of native Czech opera singers. Chapters cover the Czech vowels, consonants, rules of assimilation, approaches to singing double consonants, stress and length, Moravian dialect, and an introduction to singing in Slovak. Fine points of formal pronunciation have been clarified in this revised edition. In the second part, Cheek offers a thorough overview of Czech art song, expanded from the first edition. Texts to major song literature and opera excerpts by Smetana, Dvořák, Janáček, Martinů, and Haas, with timings, editions, word-for-word translations, idiomatic translations, and IPA transcriptions follow. In this revision, Cheek has included additional cycles by Dvořák and Martinů, and two new chapters on Czech female composers Vítězslava Kaprálová and Sylvie Bodorová. This revised edition of Singing in Czech is useful for all those who are interested and engaged in the performance of the rich Czech vocal repertoire.

A highly-illustrated how-to-do-it book incorporating a thorough introduction to a range of materials and techniques as well as a section on designing your own pieces. The focus is on experimenting and combining exciting materials to create unique and individual work.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of his moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's poetry that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel is not only true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty and power. Stand Firm offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

The Racing Story

Day Bang

In 1961 a production 500cc Velocette Venom Clubman Veeline achieved a world record, twenty-four hours at a speed of 100.05mph. It was the first motorbike of any size to perform the feat, and to this date no other motorbike of comparable size has equaled or bettered its record. It was the culmination of almost fifty-five years of technological excellence from the Birmingham factory, a time that had seen the company win both the Junior and Senior TT numerous times, as well as many other races throughout Europe and the UK. Motorcycle historian Mick Walker tells the story of the various Velocette racing bikes and their riders from 1905 to the winding up of the company in 1971. Velocettes have always had a loyal following and the KTT and Thruxton specials are among the most desirable of classic bikes, especially with a racing pedigree. Riders like Stanley Wood, Neil Kelly, E.A. Mellors and Bertie Goodman all feature in the book too. Famous models such as the KTT, MAC, Venom and Thruxton are looked at in depth, while the story of Velocette's racing heritage is told in great detail in Velocette: The Racing Story.

'A beautiful read / a perfect primer for an explosive lesbian affair / an essential truth' Lena Dunham 'I have meditated repeatedly on what it was about Finn that had me so dismantled.' A young woman moves from the countryside to the city. Inexplicably, inexorably and immediately, she falls in love with another woman for the first time in her life. Finn is nineteen years older than her, wears men's clothes, has a cocky smirk of a smile - and a long-term girlfriend. With precision, wit and tenderness, Women charts the frenzy and the fall out of love.

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself.

Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
