Cyber Monday Shopping Guide

***Cyber Monday's appeal goes beyond the
convenience of shopping online, though. We
actually listed 10% more deals on Cyber
Monday last year than on Black Friday. Just
remember, even though Cyber Monday is
different from Black Friday, it doesn't mean
it's always better — Cyber Monday does have
drawbacks.***

***Your Complete Guide to Shopping Cyber
Monday Sales in 2019***

***Shopping the Best Buy website on Cyber
Monday is an attractive alternative to visiting
a Best Buy store on Black Friday - although
Best Buy is one of a growing number of
retailers that offers Cyber Monday deals in-
store and online.***

Cyber Monday is a workday for many of us, which means we'll be shopping over our lunch hours and from remote locations. Often, this requires sharing personal payment information over public networks, which puts your financial information at risk. Always use a secure connection to make a purchase and not those available at your local coffee shop.
