Entrepreneurial Finance,  
Sixth Edition was written to  
help a broad range of U.S.  
business owners understand  
the financial aspects of  
entrepreneurship. Unlike

*Page 4/119*

traditional corporate finance books, this text explains the financial topics most important to running a profitable small business such as inventory control, time value of money,

*Page 5/119*

working capital  
management, and  
forecasting.
