Gardens Of The Moon - Malazan Review

Gardens of the Moon is the first book in a ten book series called The Malazan Book of the Fallen. The series is arguably the most epic in scope, the most complex in narrative style, and the most detailed in terms of cultural, sociological and religious aspects. Gardens of the Moon is the first of ten novels in Canadian author Steven Erikson's high fantasy series the Malazan Book of the Fallen. It was first published in 1999 and was nominated for a World Fantasy Award. The novel details the various struggles for power on an intercontinental region dominated by the Malazan Empire.
