How to change from automatic to manual payments - Google adwords or Ads. How to change from automatic to manual payments - Google adwords or Ads. Skip navigation Sign in. Search.

How to change from automatic to manual payments - Google adwords or Ads
Manual payments are essentially pre-paid advertising. With manual payments set on your account, you make a payment to Google before you run any ads at all. In fact, your ads won't run at all until you have made a payment. Essentially, manual payments are a way for you to pay up-front and have a hard limit on your advertising budget.

When Does Google AdWords Charge Your Credit Card?
First, there are automatic payments. With this option, Google will automatically charge you after your ads run. Usually this happens every 30 days, or once you reach a preset dollar amount. Then, there are manual payments. With this option, you pay before your ads run. Once your payment runs out, your ads will stop running.
