

Human Rights In Chinese Thought A Cross Cultural Inquiry Cambridge Modern China S

Scholars of early Chinese thought such as Chad Hansen, Henry Rosemont, and Michael Nylan have often considered the term “individualism” to be irrelevant or inappropriate for studying Chinese culture and history. Popular perceptions also tend to view Chinese culture as characterized by obligation and duty rather than by individual freedoms.

Although there is indeed a distinct Chinese moral code that differs from Western thought on issues of human rights, cross-cultural moral dialogue is an imperative within a view that accepts moral pluralism.

The effort to control thought beyond the borders of China is well under way. ... “Commerce Department to Add Nine Chinese Entities Related to Human Rights Abuses in the Xinjiang Uighur ...

Human Rights and Chinese Thought

Human Rights In Chinese Thought

Human Rights in Chinese Thought gives an extended answer to this question in the first study of its kind. It integrates a full account of the development of Chinese rights discourse with philosophical consideration of how various communities should respond to contemporary Chinese claims about the uniqueness of their human rights concepts.
