Equivalent, Cross Reference Search

...

Before searching for C9012 transistor datasheet you may have thought that it was a NPN transistor because it has a letter "C" in front. C actually is an European code while 2SC is a

Page 9/78

kaki-transistor-c9012

Japanese code.
Most of the time
repair tech will
refer C as 2SC so
that it will be
easier for them to
search from the
databook or
internet.

C9012 transistor datasheet details you should know

...

Page 10/78

kaki-transistor-c9012

I need to know if someone knows, which transistor can be used to substitute the c9012 Please no guesses or im not sure,or maybe its this or that. many thanks
