matters worse, Claire's family is living in the guesthouse of one Massie Block, the queen supreme of her new school! And Massie couldn't be less thrilled with the new squatter on her family's estate. Does Claire have what it takes to go toe-to-toe with the "it" girl in her school?

While on a seventh-grade school trip, Claire attempts to mend her relationship with Cam while Massie seeks to maintain her high social standing and receive her first kiss. Original.

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Halloween is just around the corner and with it comes the dreaded overnight class trip at a smelly farm. Fonda has ideas for a way to avoid the trip but before she can say Catalina Island, other kids (including her best friend's crush's best friend!) come forward with their own trip proposals of their own. There's only one solution: a petition competition, and whoever gets the most signatures wins. Fonda enlists her besties Drew and Ruthie to help, but are they ready to do whatever it takes to win? Between school, girl stuff, and crush stuff, this trio's trip—and hearts—are on the line.

At OCD the losers are tormented. At Alpha Academy, they're sent home. Skye Hamilton has scored an invitation to the exclusive Alphas-only boarding school where beta is spelled LBR . What happens when the country's best, brightest, and fiercest begin clawing and scratching their way to the top?

NATIONAL BESTSELLER • From the author of *Ghost Soldiers* comes a magnificent history of the American conquest of the West—"a story full of authority and color, truth and prophecy" (*The New York Times Book Review*). In the summer of 1846, the Army of the West marched through Santa Fe, en route to invade and occupy the Western territories claimed by Mexico. Fueled by the new ideology of "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the heart of this sweeping tale is Kit Carson, the trapper, scout, and soldier whose adventures made him a legend. Sides shows us how an illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won.
