CRB | Making Religion Safe for Democracy, by Jon A. Shields

In Making Religion Safe for Democracy, J. Judd Owen explores these questions by tracing a neglected strand of Enlightenment political thought that presents a surprisingly unified reinterpretation of Christianity by Thomas Hobbes, John Locke, and Thomas Jefferson.

Making Religion Safe for Democracy Transformation from ...

Judd Owen's Making Religion Safe for Democracy challenges both secular and religious thinkers. As Owen argues, the ascendant form of philosophical liberalism, with its tenuous claims to be a space without any religious commitments, is "not well equipped to confront a world of resurgent religion, particularly religion that is uneasy with or rejects liberal democratic principles."

Making Religion Safe for Democracy: Transformation from Hobbes to Tocqueville.

By J. Judd Owen. Cambridge: Cambridge University Press, 2014. Pp. 164. \$95 (cloth). ISBN: 9781107036796. - Volume 31 Issue 1 - Kellen Funk

Making Religion Safe for Democracy: Transformation from ...
Hence, the way to tame religion and make it safe for democracy is through toleration, not religious suppression, which view is taken up directly by Jefferson a century later. *Making Religion Safe for Democracy* culminates in a chapter on Tocqueville, who discovers in the 1830s an America where the minimalist theology of the Enlightenment has taken hold.

Does Religion Kill Democracy? - Law & Liberty
Several commentators (such as the book-writing team of John Micklethwait and Adrian Woodridge) have documented the recent rise of religion across the globe. The resurgence of religion is a direct challenge to the “secularization thesis,” the idea that as enlightenment, scientific knowledge and technology spread, the force of religion contracts.

Making Religion Safe for Democracy Archives - Law & Liberty
Christianity exists in a conventional setting that shapes its practice, so modern democracy may make Christianity an excessively civil religion. Yet religious passions and instincts—the thirst for righteousness, hope for a better world, and shame and sorrow over the imperfections of this one—are sown in human nature, too.
