**Characters ☆ Robert Smithson Bernd Hilla Becher Field Trips 106**

**Bernd and Hilla Becher's work aspires toward objective documentation, aiming for images without subjectivity. Their photographs reacted against the prevailing mid-20 th-century trend toward images in which the subject of a photograph is transformed by artistic elements such as soft focus, atmospheric lighting, or creative perspective. The Bechers photographed all structures in the same way, from a direct angle with a low horizon against a grey sky that minimized shadows, cropping each image ...**
