~~Some Memories of a Long Life, 1854-1911 by Malvina ...~~

After Justice Harlan's death in 1911, Malvina wrote Some Memories of a Long Life, 1854-1911, as a testament to her husband's accomplishments and to her own. The memoir begins with Malvina, the daughter of passionate abolitionists, becoming the teenage bride of John Marshall Harlan, whose family owned more than a dozen slaves. Malvina depicts her life in antebellum Kentucky, and her courageous defense of the Harlan homestead during the Civil War.

Some Memories of a Long Life, 1854-1911 Harlan, Malvina Shanklin 2001-07-01 00:00:00 One day during the late summer of 1853 in Evansville, Indiana, a small but growing town in the Southwestern part of the State a young girl of fifteen, suffering from some slight affection of the eyes, had been confined by the physician's orders to a darkened room. Happening at the moment to peep through a narrow crack of the almost closed window-shutters she saw a young man passing by.

The term repressed memories refers to the rare psychological phenomenon in which memories of traumatic events may be stored in the unconscious mind and blocked from normal conscious recall. As originally postulated by Sigmund Freud, repressed memory theory claims that although an individual may be unable to recall the memory, it may still affect the individual through subconscious influences on behavior and emotional responding. Repressed memories have been reportedly recovered through psychothe
