DR-44WL Reference Manual - TASCAM

Does anybody have a scan for the Tascam 238?? Seems pretty easy to use, but it could be nice to have the manual. How is it when connecting to a mixer..? Could I set it up with an 4 or 6 track mixer just to check it out, or will i burn the unit to oblivion with a lack of Ohm inpendance or something like that? What kind of mixer would be good?
