

The Exploits Of A Young Don Juan

The classic piece of Victorian erotica by Guillaume Apollinaire. Written with style and grace, this volume is a gift from the past.

Edited and introduced by Owen Dudley Edwards. '... if he has the thickest head he also has the stoutest heart in my army.' Thus spake Napoleon of Brigadier Etienne Gerard, and thus was established the formula for the

'The Exploits of Elaine,' tells the story of a young woman named Elaine who, with the help of Kennedy, tries to find the man, known only as "The Clutching Hand", who murdered her father. Arthur Benjamin Reeve was born

The Debauched Hospodar is the tale of Prince Vibescu, Romanian decadent, who travels 'round with Culculine and Alexine, indulging in many adventures, each more impossible than the last. Thousands of miles from home, one

Xenophon will be among the first. A warrior whose bravery is matched only by his intelligence, Xenophon is a natural leader. When his army of ten thousand men is stranded far from

home, it is up to him to lead them back to Greece without sacrificing the principles of democracy that they hold so dear. A retelling of Xenophon's classic *Anabasis*, this is a thrilling tale of bravery and survival, in which the mind is as valuable a weapon as the

Loreta Janeta Velazquez was the daughter of

Page 85/121

a Spanish official living in Cuba. As a young girl she was sent to school in New Orleans, where she ran away and married a U.S. Army officer. After the outbreak of the war, she persuaded her husband to renounce his commission and to join the Confederate forces. After he was killed in battle, Velazquez disguised herself as a man so that

Page 86/121

The *Woman in Battle* tells the amazing story of Velazquez's experiences in a male-dominated world, offering a unique perspective on life as a soldier and detailing her many adventures, including fighting in the First Battle of Bull Run and Shiloh,
