Summary: The Wisdom of Psychopaths. There is a scale. People who score at a certain level on the scale are generally considered to "be psychopaths", or "have psychopathic characteristics", but REAL psychopaths are far more extreme than them There are really good tests for determining how much of a psychopath you are (or aren't).

"The Wisdom of Psychopaths is a surprising, absorbing, and perceptive book. Kevin Dutton has amassed a great deal of knowledge about these charming, cold, fearless, emotionally indifferent people, who are so attractive in some ways and so appalling in others, and set it out in a briskly readable prose studded with gripping anecdotes.
